### Trial regulations:

The **ICEBEAR CUP** consists of the above mentioned 4 trial-weekends. One A1, A2, A3 and A-oldies as well as a Jumping Open will be conducted on each trial day. Oldie-dogs will run with reduced jumping height according to their size. There will be different courses for Small/Medium dogs (morning) and Large dogs (afternoon).

**Daily assessment:** The Jumping Open will be evaluated in all levels. Scoring will be done according to the “ Jahresmeisterschlüssel\* ” for each run of the day. All points will be added and the team with the highest score will win the daily evaluation. In case of a tie the result of the Agility run will be the deciding factor.

Trophies will be given to the three best teams of each height and level.

**Weekend-assessment:** The number of teams participating per height and class in each Agility run will determine the amount of points given to the winner (eg 10 teams running A3 Small = 10 points for the first place). The second place will receive one point less etc.

Half the number of Small and Medium teams participating and a quarter of the number of Large teams participating the Jumping Open will determine the amount of points given to the winner (eg 80 Large teams = 20 points for the first place; points will be brought to a mathematically round number). The second place will receive one point less etc.

Only teams, who participated in both days of the weekend, will be assessed. All points will be added and the team with the highest score will win. In case of a tie the result of the Agility run will be the deciding factor.

Trophies will be given to the three best teams of each height.

**Cup-assessment:** The best Agility run and the best Jumping score of each weekend (calculated according to the weekend-assessment rules) will be used to determine the final Cup-Score.

Winner of the **ICEBEAR-CUP** will be the team with the highest score. In case of a tie the result of the Agility run will be the deciding factor.

Participation in all 8 trails days is no requirement.

Unique trophies will be given to the three best teams of each height.

The winner of the **ICEBEAR-CUP** will also receive a valuable price sponsored by
